

## **HOMEWORK 0: DUE AUG 23**

Welcome to Introduction to Cryptography. While written assignments are not required to be submitted in Latex, it is encouraged.

I will provide .tex file containing instructions and/or questions for each week.

For this week, please do the following by

- (1) If you don't have an account at GitHub, sign up at  
<https://github.com/join>
- (2) Send me your GitHub username.
